Please read this section carefully!

PLAN B assumes that the student will reside at On-Campus Housing for both fall and winter semesters (Sept 08 to April 09). If the student is not planning to reside at OCH for both semesters then this plan will not be beneficial. A service charge will apply when using this program.

In the event the student has been approved for a Student Loan, this document together with proof of Loan acceptance maybe used to defer the student's payment until the day that the Student Loan is awarded in September.

Note: Student Loans are usually awarded no later then September/January 20th.

On-Campus Housing has the right to take legal action if the payment is not received in full after the Student Loan has been awarded. At that time, the resident of OCH will be evicted and any portion of the housing fees paid will not be refunded.

I (student's name)_____fully understand these fees are due and payable, regardless of whether or not I subsequently attend classes or choose to terminate my residency at OCH for the winter semester. Failure to meet the above terms may result in cancellation of my housing agreements and will require payment of all outstanding fees.

I have read, understood and agree to the above terms.
